INTERNATIONAL GAMES
JANUARY 16th - 25th 2015

INVITATION

The city of Reykjavík will for the eighth time welcome sports participants to a multisport competition in Laugardalur, the Valley of Sport, taking place January 16-25.

Athletes compete at a high level in various sports in world class facilities. The venue of the games will be the recently refurbished sport area of Laugardalur which will provide a magnificent setting for the games.

Events will include track and field, swimming, fencing, gymnastics, taekwondo, dance, archery, table tennis, cycling, powerlifting, badminton, figure skating, karate, bowling, skvass, weight lifting, triathlon and judo. In the competition the disabled compete in swimming and archery. Some are a part of international circuits and/or give points to world ranking lists. Reykjavik Sports Union is the organizer of Reykjavik International Games supported by the city of Reykjavik.

Exciting lectures in collaboration with the Olympic and Sports federation related to elite sport have become an important part of the schedule of the games along with training camps in some sports. Closing ceremonies among other things will keep the athletes happy and entertained and they will also have the opportunity to visit Reykjavík, the Capital of Iceland with all it's sights and sounds. If lucky you might also see the northern lights. We anticipate that the Games will draw around 3000 participants including 500 foreigners from over 30 countries and many of them among the best. All further information about participating are to be found on our website: www.rig.is
